EXPERIENCE

Fluid Advertising, Bountiful, UT — *Web Developer*

AUGUST 2015 - PRESENT

Collaborate with developer teammates, designers, digital marketing team members and account managers in fast-paced ad agency setting.

Responsible for coding pixel-perfect WordPress builds where the client has full access and flexibility to modify content. Set up MySql databases, local development environments and staging environments for client review. Websites built from scratch using Zurb's Foundation framework, Laravel's Blade templating engine, SCSS and other cutting-edge web technologies.

Fluid is the winner of 31 awards at 2017 AAF Utah Advertising Awards, making it the most awarded advertising agency in Utah.

IMS Advertising, Middletown, CT — *Web Developer*

AUGUST 2014 - AUGUST 2015

Worked with clients to develop user-friendly, aesthetically pleasing, well-functioning and informative WordPress websites from the ground up.

Convert PSD mockups into clean and scalable HTML (5), CSS (3), JavaScript (jQuery) and PHP. Each site is built with responsive design as a top priority, friendly to any mobile device.

Vasa, Inc., Creative Technologies, LLC., Burlington, VT — *Freelance Web Developer*

JANUARY 2013 - APRIL 2014

Responsible for designing and building new company's website and logo using Twitter Bootstrap framework in cooperation with Adobe Illustrator and well as free hand HTML 5, CSS3, and JavaScript (jQuery).

EDUCATION

University of Vermont, Burlington, VT — *B.A. Computer Science*

AUGUST 2010 - MAY 2014

Minor: Anthropology. Faculty and Staff Award, University of Vermont Computer Science Fair, 2013.
